Overview

Fall is a perfect time of the year in San Diego. Fallbrook is one of the hidden secrets of San Diego County. Considered the Avocado Capital of the World, located in the north part of the county, it is nestled in rolling hills of avocado groves, vineyards, and nurseries.

Pala Mesa Resort is the perfect place to take your cars and to enjoy the area. The judging will be held on the resort’s driving range with the convenience of a restaurant, bar, and golf course.

Come early and stay late. With exceptionally low room rates for AACA, and so much to do in and around Fallbrook, it will make a great meet and vacation rolled into one.

Besides numerous activities and tours, the awards ceremony will be held in the resort’s special events venue as a fiesta under the stars with live music.

Come see what the Fallbrook Vintage Car Club has in store for you.
